

SUZANNE WESLEY SEMINAR WAIVER AND RELEASE FORM

Saturday: August 24, 2024

O 8:00-12:00: **How to Avoid Wrong Courses:** Finding and Running lines. Work on the most effective way to run your dog thru course challenges. Where to place your front cross, blind cross or rear cross based on your dog's needs. (All Levels)

O 12:30-4:30: **Outside of The Box Handling:** This workshop will feature some interesting challenges from AKC Master/Premier Courses. Things like the first jump heading away from the course and toward the exit, handler-restrictions (forced layers), tunnels at odd angles under contacts, weave poles into "nothing", etc. Come and practice these creative but legal sequences so you and your dog are not taken off guard. (Levels: Open/Master Level)

Sunday: August 25, 2024

O 8:00-12:00: **Agility Distraction Proofing:** Is your dog distracted by fur on the floor, ring crew in chairs, judge's arms moving, smells, site and sounds? Distraction Proofing is for you! Work on a simple course with distractions added. (Level-all Competition levels and Pre-Competition)

O 12:30-4:30: **Distance Training:** Distance sequences can be very difficult for a dog unless you train them. Learn drills to build distance away from your dog while running agility. This workshop is also good for dogs who need to work on more obstacle focus and less handler focus. (Level-all Competition levels and Pre-Competition)
